

EFFECTIVE IMMEDIATELY

Passenger Notice

In line with CDC and DPH guidelines on social distancing, the Merrimack Valley Regional Transit Authority has made changes to protect our frontline employees. **Effective immediately**, the MVRTA will begin **rear door boarding**. Passengers will board using the rear doors of the buses and space their seating accordingly. Passengers with disabilities and the elderly will still be allowed to use front door entrances when needed. This change has been made to protect the health and safety of our essential employees and customers.

We apologize for the inconvenience this may cause. We will keep you informed of any further updates.
